Lykins Fall Golf Outing raises \$43,000 for CASA for Clermont Kids

On Friday, October 3, 2014, during a luncheon at The Copper Blue Restaurant in Milford Ohio, Jeff Lykins, President and CEO of Lykins Energy Solutions, presented CASA for Clermont Kids with a check for \$43,000. Nathan Bell, CASA for Clermont Kids Executive Director, gratefully accepted the check on behalf of CASA, noting that this donation represents more than 20 percent of CASA's annual budget.

Lykins Energy Solutions raised these funds by sponsoring its 25th annual charity golf tournament at the Legendary Run Golf Club. Jeff is proud to carry on his family tradition giving back to the community. In addition to his duties as President and CEO of Lykins Energy Solutions, Jeff serves on numerous non-profit and business boards in the area. Although many businesses support the event by attending and donating, Jeff noted Copper Blue Restaurant in Milford provided all the lunches for the golfers and DigiMax donated all print materials and staff golf shirts for the event. In addition, Legendary Run Golf Course made a significant in kind contribution for the event.

This year, as in the past 15 years, CASA for Clermont Kids has been the beneficiary of Jeff's and his staff's efforts. He believes that the work done by CASA helps make Clermont County a better place to live and work. CASA for Clermont Kids and its volunteers serve abused, neglected, and dependent children in Clermont County. Every day in Clermont County children are removed from their homes by Children's Protective Services and thrust into the Juvenile Court System, through no fault of their own. The CASA for Clermont Kids volunteers work to find a safe, loving, and stable atmosphere for these children.

The planners have already selected the date for next year's tournament. The event will be held on Thursday, September 10, 2015, again at Legendary Run Golf Course. Save the date and join in on raising money for a worthy cause while enjoying a round of golf!
